PROPOSED HOTELS

4★ Relais Villa d'Amelia

Benevello (CN)

From the wise restoration of the 19th century Cascina Bonelli in the heart of the Langhe in Piemonte, two steps from Alba, the Relais Villa d'Amelia is born.

Located on the crest of a hill between lush forests and splendid hazelnuts, with magnificent views of the Alps and the gentle hills of Barolo, Villa d'Amelia is the perfect starting point to discover a magical territory, rich in flavors and traditions.

The elegant and warm interior design and the care of the flower gardens surrounding the estate create the cozy atmosphere of a private house, where special attention is given to each guest.

In this unique context is the exclusive gastronomic restaurant (awarded with "1 star" by the prestigious "Michelin Guide") to enjoy the excellent cuisine of the territory in its most classic proposals and in the reviews in modern key.
