Cultural Itineraries

# THE LAND OF THE ETRUSCANS

A fascinating cultural program which will let you admire some of the most sensational pearls of Central Italy. Discover the enchanting regions of Tuscany, Umbria and northern Lazio, with their places full of history, culture and art. It was exactly in this territory that the Etruscan civilization settled from 8th Century to 396 A.C. This latter is the year when the assimilation between the Etruscan and the Roman cultures began. Cities such as Siena, Volterra, Orvieto and Rome are waiting for you, to let you explore their hidden treasures. An unforgettable journey through the centuries, to the discovery of wonders that can be offered to your eyes.
